

wait\_for\_button\_press

```
graph LR; A[wait_for_button_press] --> B[button_pressed]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'wait\_for\_button\_press'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white and contains the text 'button\_pressed'.

button\_pressed
